LUTHERAN CHURCH

Garett Borth

I grew up at ELC. It has always been the church my family belongs to. I've had a lot of memories made here with friends and discovering my faith. It is a place I feel I will always belong and go to.

English Lutheran has meant a lot to me, growing up and becoming the person I am. It has been a blessing to spend a lot of my childhood growing up in the church. The church has brought me joy in my faith and life. The church showed me bravery, happiness, determination and friendship. Sunday School was the highlight of Sunday as I got to be with my friends and do many exciting activities. Singing was my favorite, and being able to perform in front of everyone was the excitement of the week when I was in elementary school. The church got me out of my comfort zone as I went on activities such as Feed my Starving Children, Midnight Madness, and a Mission trip. I created a lot of fun memories and friendships when I entered the world of confirmation on Wednesday nights. English Lutheran was a joy, and I am happy to bring my religion with me, and the faith of God to my next chapter in life at college.

English Lutheran has been not only a place of worship for me, but a place of community. What I love most about Sunday services is coming together in fellowship to worship with other people I have come to know and love. Through church, I have made connections that I will always treasure and carry with me through life. English Lutheran is a wonderful place to both worship God and to participate within a loved and trusted community.

English Lutheran has been a part of my life from my earlier days of Sunday school, youth house activities, mission trip and my confirmation in high school. Over the years it has shown and instilled in me, the importance and responsibility of my commitment to my faith.

The church has been meaningful in that it has allowed me to continue to grow my faith. I had 3 years of confirmation which helped me complete that next milestone of my faith.

English Lutheran Church has meant so much to me in many different ways. While I attended confirmation, I was able to learn more, get closer to new people and been able to travel on different mission trips to help those in need. If it wasn't for English Lutheran, I would not have been able to do those things and be who I am today.

English Lutheran Church gave me such a gift. The friendships I made over my Confirmation years was priceless and the experiences with both Mission Trips was very rewarding. I will never forget my time there and I am grateful for how it shaped my life.

“For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope. Then when you call upon me and come and pray to me, I will hear you. When you search for me, you will find me; if you seek me with all your heart, I will let you find me, says the Lord.” ~ Jeremiah 29:11-14a

Being part of a small church that my parents also attended has been a wonderful experience. Attending church has given me a chance to create new relationships, especially with the small groups in confirmation. English Lutheran has provided me chances to do great things for our community as well as others through mission trips.

English Lutheran Church has been a big part of my life. It truly brought me the joy of continuing my faith. Without English Lutheran, I wouldn't have gone on Mission Trips or gone to Luther Point Bible Camp and those things were my favorite things to do in the summer. I couldn't imagine being raised in any other church.
